The Teton Valley Foundation is pleased to announce Thursday Music on Main, a Thursday night concert series in Downtown Driggs. The series will be free to the public and features prominent headliners performing from 6-9 pm each Thursday in July and August¹. Tony Furtado will kick-off the concert series on July 6th. Local duo, the Miller Sisters will open.

Concerts will take place in downtown Driggs on the Northwest lots at Bates and Main. Concertgoers are encouraged to bring their own chairs and blankets. Vendors will be on site to provide food and drinks. Stay tuned for announcements on the full line up of performers.

The mission of the newly formed Teton Valley Foundation is to raise and distribute funds for charitable purposes through the organization and implementation of performances, attractions and events for the education and benefit of the Teton Valley community. The Foundation's primary activity is to host several world class, multi-day events each year intended to promote the unique nature of the Valley and increase economic activity in the community. Events will include athletics, the arts, culture and education. The primary purpose of the events is to raise funds to use in ongoing programs, distribute in the form of grants and invest in capital infrastructure within the community.
